EXHIBITION

- READY TO SHOW is the first event organized in Italy to give international apparel, accessories, textiles and leather manufacturers direct access to **major European buyers**, including importers, private labels, large retailers and all other imported apparel and textiles users.
- READY TO SHOW is well-known in Italy as the one and only place to source apparel, accessories, textiles & leather products from non-EU countries.

OUR BUYERS

- READY TO SHOW will reach all **Italian** and **European buyers** through direct mailing, internet links, and publicity in the European trade and business press.
- A direct **postal and e-mail marketing campaign** has already been initiated, targeting selective buyers' lists, to attract the maximum number of qualified customers.
- **1,000 major professional buyers** are expected to visit Ready to Show.
